

THANK YOU!

Youth Online Auction

Thank you, thank you, thank you to all who donated items, solicited items, picked up items, helped write descriptions, bid on items, shared our event, etc. It truly takes a village and we couldn't have done it without you! The bidding is now over and we finished with a total of \$11,316 raised for our summer trips!!! What a wonderful blessed event!

Thank You

To the Session,

I have enclosed a small donation to be used by the choir/ Music Ministry of Green Acres Presbyterian Church. It is made with deep gratitude and in loving memory of my son, Chad Harris, who died suddenly earlier this year. Music is a comfort and a blessing at times like this and it provides a gracious language to express what our grieving hearts often times struggle to define. We are grateful for the music that made Chad's recent "celebration of life" so memorable.

In Christ, Elaine Strople

PNC

PNC Update

The PNC Committee has been devoting it's time in perusing resume matches to Green Acres MIF. This, is a long and serious process. Not only does the committee meet and discuss each resume, the committee must spend time evaluating each resume in their own time before meeting as a group. This includes searching the web for information, viewing sermons, and sometimes, finding information that alters the committees mind.

We expect this process to last for the next four to six weeks, as we receive additional resumes from the CLC as well as self referrals.

Session Highlights
