

2018 Financial Update

2018 Financial Update - Current Year

One family matter that's important to keep informed about is the status of 2018 church commitment at GAPC. As our church moves toward the end of the year, all members are asked to make sure that pledges are as up to date as possible. As of mid November, 33% of our 2018 pledges have been fulfilled already, 53% are on track to be fulfilled by the end of the year, and 14% have fallen behind.

All members are urged to support the work of the church and strive to honor the 2018 commitment so that GAPC can end the year in good financial health as we await the calling of a new pastor. If anyone has any questions, please contact Dave Spanagel at 484-5040.

at Green Acres Church

From everlasting to everlasting, the LORD's love is with those who honor God, and God's righteousness is with their children's children — with those who keep God's covenant and remember to obey the Lord's ways. (Psalm 103:17-18)

Praise God from whom all blessings flow...
