

Green Acres Preschool Summer Camp
3135 Hanley Avenue
Portsmouth, Virginia 23703
484-5125

School is about opening books. Green Acres Preschool Camp is about opening minds.

Each school year we work and play for nine months on our social skills, problem solving, self-control, and self-esteem—not to mention our fine and gross motor skills. During the school year we have a curriculum that provides children the opportunity to learn and prepare for their “big school” experience. In our **summer camp** at Green Acres we will spend our time in music, fingerplays, puppetry, creative movement, arts and crafts, snack, outside playtime, and storytelling.

When the children arrive they will join in the “**meet and greet**” area for music, creative movement, and introduction of the day’s theme. Then they will break into small groups to work on an **arts and crafts** activity that focuses on that day’s theme. The campers will come back together to enjoy a **light snack** in the Fellowship Hall, after which they will go **outside** to play on the playground equipment, or have fun with sidewalk chalk or water play, such as painting with water and creating bubbles. The day will end with a “**meet and dismiss**”, including a storytime.

Green Acres Preschool will offer two 5-day sessions from **9:00 AM to noon**.

- **Session I** meets **June 10-14**
- **Session II** meets **July 8-12**

The cost is **\$130 per session**, which is due at time of registration. The summer camp is open to children ages 3-years to 5-years by September 30, 2019. The children will experience a wide variety of experiences while they grow socially and emotionally.

We look forward to seeing you at Green Acres this summer. Come join the fun!

Camp Information

Clothing:

Proper dress is required. Children should not wear sandals or flip-flops, please. They can fall when running in these and spend too much time trying to get the sand out of their toes. We suggest tennis shoes and socks.

Sunscreen & Bug Spray:

The teachers cannot apply sunscreen. We recommend applying it to your child before coming to school. The same applies to bug spray. Please read the labels carefully before using anything on your child.

Snack:

A light snack will be provided by the school. Please let the staff know if your child has any food allergies.

Illnesses:

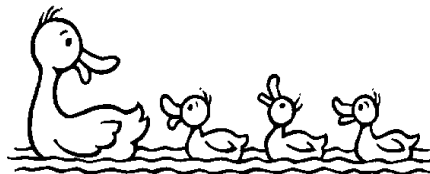

To maintain a healthful environment, children who show signs of illness may not attend the preschool camp. A child should be free of fever and upset stomach for a full 24-hour period before returning.

Hygiene:

It is suggested that children attending preschool camp be potty trained or able to stay in training pants. Teachers are not allowed to change diapers, etc. Children should wear clothing that can easily be removed when going to the restroom.

Lunch Bunch:

On Tuesdays and Thursdays you can let your preschooler stay an extra hour with our teachers. Pack a lunch **[labeled with his/her name]**. The children will be involved in a fun activity and will eat lunch together while you finish your errands or have lunch with a friend. The cost will be \$5.00 per stay.
